YOUTH BRAVES RAGING FLAME TO SAVE FOUR

Rescues Father and Sisters
After Mother Killed by
Explosion

**MISUSED COAL OIL
CAUSES DISASTER**

ARROWHEAD, Alta., Dec. 23 (CP).—Nineteen-year-old Ralph Leonard dared a roaring inferno today to save the lives of his father and three girls when an explosion killed his mother and threatened his home. The father was burned slightly on the hands, and a ten-year-old daughter was overcome by smoke, while the others escaped injury.

KILLED INSTANTLY

Mrs. Leonard was killed instantly when the coal oil she poured on the stove exploded, flames spreading over the kitchen and dense smoke filling the house. Mrs. Leonard had risen from bed to get breakfast for the other members of the family, who were sleeping when the tragedy occurred.

The explosion brought Ralph out of his bed and downstairs. He carried his mother's body outside and then aroused the other members of the household. Despite the flames and smoke he directed his seventeen-year-old sister, Marjorie, and Miss Mary Mitchell, a friend, to the top of a porch after breaking a window when escape in other directions was cut off. The youth aided the girls down a ladder and then continued his life-saving mission.

RESCUED FATHER

Ralph placed a ladder below the window of his father's room and brought him out safely. The father, C. M. Leonard, manager of the Co-operative Oil Company, had been burned hands when he attempted to fight the flames.

Ralph's work was far from finished when he realized his ten-year-old sister, Gladys, was imprisoned in the flaming structure. Undaunted, he sped into the conflagration again, and found the little girl unconscious under the dining-room table. Another struggle with the fire, and Ralph placed the girl in the arms of her father.

Gladys was attended by a doctor, who declared she was suffering slightly from smoke and shock, but was in no danger. The house was badly damaged before the fire was extinguished.

The victim of the flames, Mrs. Leonard, was well known in Arrowhead, which is about ninety miles southeast of Calgary.

RANSOM ASKED BY GUERRILLAS

Fifty Railway Employees
Prisoners in Manchuria—
Japanese Aidmen Killed

HARBIN, Manchuria, Dec. 24 (Saturday) (AP).—Chinese guerrillas demanded today two airplanes, four cannon, ten machine guns, and a quantity of ammunition as ransom for fifty Chinese Eastern Railway employees, believed mostly to be Russians, who were captured by the rebels at Heng-Tao-Hsiao, on the eastern division of the Chinese Eastern Railway.

Except for this eastern division of the road, where Japanese military authorities are turning their attention, railroad communication throughout Manchuria today was nearly normal.

Most of the insurgents have gone into winter quarters.

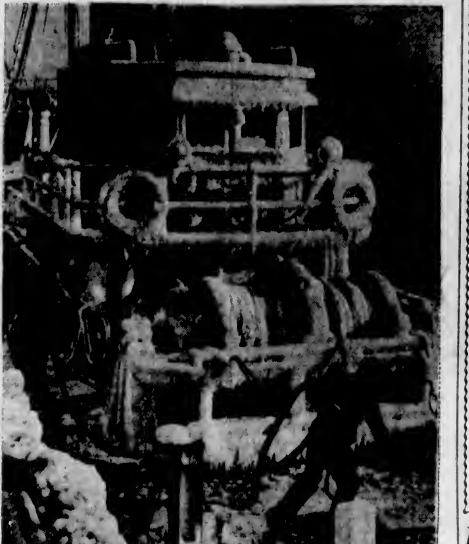

OWN BOMB FATAL

CHANGCHUN, Manchuria, Dec. 24 (Saturday) (AP).—The bomb which exploded today at the station of one of its own bombs was responsible on Friday for the crash of a bombing plane near Wan Pao Shan, twenty miles northwest of here, when six Japanese aviators were killed and another seriously wounded.

The plane was bombing a concentration camp of irregulars, and the Chinese returned fire with an anti-aircraft gun. It was at first thought the Chinese had scored a direct hit which resulted in the explosion of the engine.

It was believed here today, however, that the guerrilla rifle fire had compelled the pilot to land, after which one of the plane's own bombs exploded.

After Fishing on the Banks

When she arrived in Boston recently, the fishing trawler Holy Cross carried an accumulation of ice on her superstructure, and rigging that made the boat look like an ornamental iceberg. The Holy Cross has been prospecting for Friday dinners off the Grand Banks.

Daring Hold-Ups Are Perpetrated On the Mainland

**Lone Bandit Steals Car, Binds Driver and Drives
Himself to Theatre to Rob Its Cashier—
Messenger Boys Relieved of Small
Sums—Tobacco Store Raided**

VANCOUVER, Dec. 23 (CP).—A lone armed bandit early tonight called a taxicab driver, George Walmesley, to a room in the 500 block, Richards Street, threatened him with a gun, bound him hand and foot to a bed, took the driver's cap and then went downstairs and took possession of the cab and drove to the Seymour Street entrance of the Capitol Theatre, where he held up the cashier, Mrs. C. Williams, and stole \$39 in cash.

He then made good his escape in the stolen car, which was later found abandoned in a lane near Davie Street, a few blocks away from the scene of the crime.

A COOL CUSTOMER

The robbery occurred about 8:45 o'clock, while scores of people were passing the theatre. But for the presence of mind of the cashier the robber would have obtained considerably more loot. Mrs. Williams, who confronted by a revolver and the man's demand to "Hand it over," quickly slipped a package containing \$100 in bills to the floor and the bandit got only what was in a cash box.

Walmesley was later released when his plight was discovered. In the abandoned taxi-cab police found Walmesley's cap, which the bandit had worn during the holdup.

THREE ROB MARKET

Three bandits, two of them totting guns, raided Sterling Meat Market, East Hastings Street, at 7:15 p.m. today and, after threatening to shoot William Muir, clerk, robbed the cash register of \$40.

Muir was compelled to stand aside while the thugs made their haul, and was covered until the desperado retreated to the door. They fled before police could reach the scene.

Two messenger boys were held up in different parts of the city during the evening and robbed of \$10 and \$3, respectively, police were informed.

A MORNING JOB

Two bandits walked into the tobacco store of John Taranto, Abbott Street, at 9:15 o'clock this morning, held up the proprietor, bound him to a chair and escaped with \$25 each.

One bandit held Taranto under threat of his revolver while the other tied him hand and foot, and then searched his pockets.

FINED FOR STEALING RIDES ON RAILWAY

VANCOUVER, Dec. 23. — Ernest Foy, Robert Porter, Thomas Larkin and Pele Oltstad pleaded guilty in police court to stealing rides on C.P.R. trains, and were fined \$10 each with the option of ten days in jail.

ster & Sons, of Kingston, Ja. The Winner and Ranger are to be sent to Japan for operation in Oriental trade. It is understood while the Volunteer will be employed in coastal trade between the islands of the West Indies.

It is expected the Canadian Seigneur will be sold shortly.

The company's fleet will be reduced to twenty-one steamers following completion of the transactions.

Spirit of Giving Is Emphasized by Mayor D. Leeming

"I WOULD that my good wishes for 'A Merry Christmas' could bring to all that joy and happiness which is always associated with this season of the year.

"I am, however, reminded there are many unfortunate citizens to whom Christmas will this year be short of much of its old-time happiness. With this in mind, I can only hope that the more fortunate members of our community will bring a greater measure of happiness to themselves by promoting the happiness and welfare of others.

"Only as the spirit of the Christ, as expressed by Jesus, whose birth we commemorate, is manifest by mankind in the operation of the Golden Rule, may we expect to receive the blessings that are the natural consequence of loving deeds.

"I wish to all, every happiness on Christmas Day, and each day after until it comes again.

(Signed) "D. LEEMING, Mayor."

Lone Bandit Escapes With Bank's Cash

BRANTFORD, Ont., Dec. 23 (CP).—Provincial and city police throughout Ontario searched tonight for the lone bandit who held up the East End branch of the Canadian Bank of Commerce here today and escaped with \$643 dollars in small bills.

Highways leading from Brantford were thoroughly combed by squads of police without success in his capture.

The robbery was carried out expertly by the bandit, who entered the bank shortly after noon and found W. Hughes alone. He commanded Hughes to lie down on the floor, entered the teller's cage and scooped up all the available cash there, then walked out.

NO REASON TO LOSE COURAGE

Acting Prime Minister Issues
Cheering Christmas Mes-
sage for Government

OTTAWA, Dec. 23.—Rt. Hon. Sir George Meighen, speaking for the Dominion Government, issued through the Canadian Press tonight a message of Christmas greetings of courage, faith and hope to all Canadian citizens.

"In the absence of the Prime Minister, and on behalf of the Government, I wish to express my personal message to send a message of Christmas greetings to the people of the Dominion.

"Though we celebrate this Yuletide season at a time of world stress and storm, we have no reason to lose courage, hope, or faith in the future. Canada is meeting the economic conditions of peace as she met the tragic trial of war, with her citizens standing shoulder to shoulder in unity, co-operation and comradeship. If, by our actions, we continue to exhibit our possession of these qualities and our belief in the Christmas message of peace and good will, we shall indeed be helping to bring not only Merry Christmas, but a Happy New Year to our Dominion."

MURDER CHARGE FOLLOWS RITES

Five-Year-Old Girl Dies After
Strange "Healing" Ceremonies
of Preachers

LINDEN, Tex., Dec. 23 (AP).—Sherman Clayton, whose five-year-old crippled daughter, Bernice, died while allegedly undergoing strange rites at the hands of two Apostolic preachers, was arrested late today at his home in a rural community near Linden, on a charge of murder.

While Sheriff Nat Cutright continued his investigation of the ceremony, which ended in the strangling of the child, Coy Oakley, twenty-five, who termed himself a disciple, and his brother, Paul, twenty, who said he was a preacher, were held in jail here awaiting hearings on Monday on charges of slaying the girl.

In a signed statement which Sheriff Cutright said he obtained from Paul Oakley was the declaration: "God is a healer through me. I thought God sent me to heal the child, but the devil killed her through me."

The child was crippled by infantile paralysis in infancy.

Vancouver Police Commis-
sion Impatient to Oust
Alien Agitators

VANCOUVER, Dec. 23 (CP).—Amendment of Federal Immigration regulations to expedite deportation of alien Communist agitators is asked in a resolution adopted by the police commission at a special meeting today, and directed to Prime Minister R. B. Bennett.

Copies will also be sent to the Federal Minister of Justice and the Minister of Immigration, to attorneys-general of Canadian provinces and to mayors of principal cities.

One of the chief amendments asked in the resolution is elimination from the Immigration Act of the clause which prevents deportation of a person who has been in the Dominion for more than five years.

The resolution, which was recom-

Only a Few Hours Left For Buying

Today is the last day for Christmas shopping.

Do your buying this morning. On account of the inclement weather that has prevailed during the greater part of the week, merchants are expecting a heavy last-minute rush and are prepared to take care of the last-minute shoppers.

But, in order to get service and be assured of better attention, merchants are urging that buyers start out early and thereby avoid the congestion that usually occurs during the afternoon and evening.

Most of the shops will be open until 10 o'clock this evening and augmented staffs will be at the disposal of shoppers, but there will undoubtedly be a heated trade during the closing hours of the Christmas season.

In spite of weather conditions, merchants are expecting a fairly heavy traffic and expect that the holiday period will yield as big a return as last year and, if anything, a little better.

The main thing today is to shop early.

Fortitude Soon Will Be Rewarded Premier Says

"On behalf of the Government of British Columbia, I extend to all your readers the compliments of the season, with sincere good wishes for better conditions in 1933.

"The courage and patience displayed by the people throughout these times have been altogether admirable, and immensely helpful to those who are charged with the administration of public affairs. There is every reason now to believe that their cheerful fortitude is soon to be rewarded, and that the expedients of the moment will give way to our normal activities in the not too distant future.

"To all appearance the clouds are lifting, and our horizon begins to look brighter. Those observers who claim that the growing depression must not be too hastily discarded. Major trends are slower to gain impetus than people realize, and the fact remains that a very substantial improvement has been recorded lately in the volume of our exports over that of the corresponding period of last year.

MUCH COURAGE SHOWN

"Admittedly conditions have not been good, and our major industries have suffered severely in this long period of business recession, but still we have good cause to congratulate our industrial leaders on their unflinching front. In every phase of our activities we have been able bravely to carry on, and there is no

Storm Losses Grow As Belated Reports Trickle In to City

**Lieutenant-Governor of Province
Gives Season's Greetings**

"ONCE again it is with much pleasure that I accept your kind offer to convey, through the columns of your paper, my most heartfelt good wishes for the Christmas and New Year seasons to the people of Victoria and Vancouver Island.

"Our province, in common with the rest of the Dominion and the whole world, is still suffering under the heavy burdens of economic depression and widespread unemployment, and, for so many, the Christmas season will not be the customary happy and joyous festival of previous prosperous years. But I am quite sure that all of those in more fortunate circumstances will do everything in their power to ameliorate the existing unhappy conditions of others less fortunate so that one and all will, at Christmas-time, be able at least temporarily to forget their burdens and to give utterance to the old, old Christmas-time thought: 'Peace and good will to all men.'

"Again with my sincerest wishes for a happy Christmas and with the fervent prayer that the New Year will bring with it a return to happier and more normal conditions.

(Signed) "J. W. FORDHAM JOHNSON, Lieutenant-Governor."

Harpell Guilty of Defamatory Libel; Sentence Reserved

T. B. Macaulay, President of Sun Life of Canada,
Wins Vindication—Defence Counsel An-
nounces Intention to Appeal

MONTREAL, Dec. 23 (CP).—Vindication of his good name was won today by Thomas B. Macaulay, president of the Sun Life of Canada, as a jury under Chief Justice R. A. E. Greenhields found James J. Harpell guilty of defamatory libel.

The trial occupied five days and arose out of articles attacking Mr. Macaulay and the Sun Life published in Harpell's magazine, "The Journal of Commerce," and out of passages in a book called "Industry, Commerce and Finance."

Sentence was reserved by the chief justice until Tuesday, with the consent of the Crown, to permit Mr. Harpell to retain his liberty on bail over Christmas. Calixte Cormier, defence counsel, announced he intended to appeal but the court ruled it had no power to grant bail pending appeal, but could continue the former bail if the sentence was reserved.

ONE KILLED IN ELEVATOR FIRE

Another Missing After Blaze
Burns Chicago Structure—
Eight Hurt

CHICAGO, Dec. 23 (AP).—An explosion turned a six-story grain elevator into a seething furnace fire today, killing one man and perhaps a second who was still missing tonight.

Eight others were burned, some of them rescued heroically from imminent death as 200,000 bushels of wheat, corn, barley and oats went up in flames, and nearby concrete elevators containing more than 1,000,000 bushels were menaced.

INSTANTLY KILLED

Walter Brazel, twenty-eight, was instantly killed as a blast hurled him through an elevator door. He died of a fractured skull.

Charles Duval, thirty-nine, scale inspector for the Board of Trade, was trapped at the top of a tower, and probably perished in the roaring inferno. His body could not be found, searing heat keeping firemen from inspecting the ruins.

The loss was estimated at more than \$500,000, but probably short of \$1,000,000. The elevator itself was a wooden structure, built in 1908 by the Santa Fe Railway, whose freight yards skirt it.

HAS NARROW ESCAPE

The tug Graeme Stewart narrowly missed being engulfed by the collapsing west wall when, warned by wireless to move to a safer place, she found herself mired in the Chicago River mud and unable to back away. Another tug was called to her aid and only a few minutes after the fireboat was pulled off the river bed the walls toppled over.

Thirty-four employees were in the building when the blast touched off the fire. Most of them were able to escape to the open; several by sliding down ropes from windows.

"LIFER" SENDS CASH FOR LESS FORTUNATE

MINNEAPOLIS, Dec. 23.—To many persons, a life prison sentence would seem to be the most severe of misfortunes, but Merton Munn, "lifer" at the state penitentiary at Stillwater, is not one of them.

Munn, a Spanish-American war veteran, who has spent twenty-five years in prison following conviction on a murder charge, says he is convinced many men are in worse circumstances than he.

As a proof of his belief Munn yesterday sent \$25 to the Minneapolis Community Chest, to aid unfortunate.

DISSOLUTION EXPECTED

CAPETOWN, S.A., Dec. 23 (CP).—Immediate dissolution of the Nationalist Government, headed by General J. B. M. Hertzog, is considered highly probable. The ministers are going to Pretoria, December 26, for a vital cabinet meeting, and it is apparent the Government will face an election as soon as possible.

Up-Island and West Coast Suffered Heavily—Can- nery Plant Damaged

**SUMMER HOMES HIT
AT QUALICUM BEACH**

As communication is gradually restored, following the terrific storm of Thursday, reports are being received from outlying points describing the havoc caused by the gale, and confirming the earlier estimates of damage approximating at least \$200,000 caused on the Island.

Similarly the loss in Greater Victoria will be extensive. One of the heavy sufferers was Mrs. J. H. Richards, of the Cadboro Bay Tea Rooms. This popular beach resort was demolished by the fury of the gale. The sea destroyed the greater portion of the pavilion, bath house and equipment. Boat houses and seven boats were also destroyed. The loss will exceed \$10,000.

ON WEST COAST

Word received from Port Alberni is to the effect that belated reports received from fishermen indicate that the plant of the Coast Packing Company, Alberni Canal, was badly damaged by the storm. This was one of the largest packing establishments on the Coast. Wharves, floats and small craft all along the West Coast felt the effects of the gale and much damage is reported. Officers of the Princess Maquina, on docking at Port Alberni, reported that the storm was the worst that they had encountered. The wind reaching a maximum velocity of eighty miles. All West Coast points have not yet been heard from.

Travelers from Up-Island report considerable damage to Summer homes along the beach at Qualicum and Little Qualicum, where the gigantic combers, carried on the crest of an unusually high tide, smashed the frail shacks, splintering and upsetting a number.

Courtenay and Comox districts report a terrific lashing from the wind. The Courtenay-Powell River

FOUND DEAD IN DENTAL OFFICE

Elderly Woman Beaten With
Mallet—Dentist Missing
From Home

ST. LOUIS, Dec. 23 (AP).—Mrs. Josephine Stark Elder, seventy-one, member of Conway Elder, former judge of the Missouri Supreme Court, was found beaten to death late today in the office of Dr. Squire P. Bevier, South Side dentist, whose wife told police he disappeared yesterday afternoon. He was being sought tonight.

Killed with Mallet
Mrs. Elder's skull had been crushed by blows from a three-pound mallet, which was found in the dentist's operating room. The victim's right wrist, and also her fingers on the right hand, were bruised, indicating she had raised her arm to shield herself from the blows.

Discovery of Mrs. Elder's body was made by police who forced their way into the locked office after former Judge Elder had asked that a search be instituted for his mother. Her body was found on the floor, and her coat had been thrown over her face and head.

LOOKING FOR HUSBAND

While police were in the office, Dr. Bevier's wife, Mrs. Norma Bevier, arrived. She said she was looking for her husband, who had last been seen yesterday afternoon. He returned home from his office, she said, and told her he had had trouble with a patient. He was nervous and excited, and had scratches on his face, she said. His right eye also was slightly discolored, Mrs. Bevier said.

Mrs. Bevier said that without removing his overcoat, her husband rushed upstairs, put a revolver in his pocket and then left. She has heard no further word from him, she said. Former Judge Elder, who now practices law in St. Louis, said his mother left her home some time yesterday morning to keep an appointment with Dr. Bevier.

SEIZED SEAPLANE CHEAPLY BOUGHT

VANCOUVER, Dec. 23.—C. McKenzie was the successful bidder on a seized seaplane auctioned at Jericho Beach Air Station under orders of the customs department. The price was \$210.

The machine was registered in the United States and was built and owned by W. N. Gorrie and C. W. Still, of Seattle, who attempted to fly from that city to Alaska this Summer without obtaining customs clearance.

They were charged with illegal entry into Canada, fined heavily and their plane confiscated.

Sale of the machine was subject to exportation back to the United States on payment of duty and taxes above the purchase price.

Paul-Boncour Discusses Payment With U.S. Envoy

PARIS, Dec. 23 (AP).—Premier Joseph Paul-Boncour, adopting his lead from Franklin D. Roosevelt's policy that the debt problem for the present can best be handled through diplomatic channels, made a surprise call on Walter E. Edge today and discussed the present situation frankly with the American Ambassador.

While the entire question was discussed in its general aspect, it was clear that M. Paul-Boncour sought to clear away the ground in

order to know just how matters now stand, and, above all, to keep the discussions open preparatory to more definite negotiations when the Roosevelt Administration comes into power.

American sources indicated the Premier expressed a frank desire to receive any assistance possible from the Embassy and from Washington which would make it possible for him to take up the debt question in the Chamber of Deputies and to reach a solution as soon as one may be found.

Three C. N. Ships Sold; Two for Orient Service

MONTREAL, Dec. 23 (CP).—Three Canadian Government Merchant Marine steamers have been sold during the past few days. It was announced today by Canadian National Steamships, successor company.

The boats are the Canadian Winner and Ranger, sold to the Dominion Steamship Company, Limited, of Vancouver, and the Canadian Volunteer, to J. B. Web-

WILL ENTERTAIN LATE SHOPPERS

To complete the holiday atmosphere so prevalent in the City Public Market, the Victoria Girls' Band will play a programme of Christmas carols today for the benefit of afternoon shoppers.

Poultrymen at the market this year have one of the finest displays of birds seen here in many years, and they report that sales totals are far higher than those of last year. The florists have been very busy during the past two days and

large holly wreaths and bunches of steady chrysanthemums have been selling. As usual the candy stall this year has offered a special Christmas gift box and the response with which these sweets have been greeted by last-minute shoppers has been highly gratifying. Among the butchers, beef and sucking pigs have proved the chief attractions, with prices lower than they have been for many years.

Locally-made pottery and hand-painted china, at specially reduced Christmas rates, have been selling readily and dealers predict that before closing time, the sales total for last year will be left far behind.

After the white man stole the Indians land the women came along and grabbed off his hair paint.

Luxurious New Penitentiary in Pennsylvania

FROM ten of the thickly-populated states of the country—Maine, New Hampshire, Vermont, Massachusetts, Rhode Island, Connecticut, New York, Pennsylvania, New Jersey and possibly Delaware, Maryland and Ohio—Federal prisoners now are committed to the ultra-modern United States Northeastern penitentiary, recently completed on a 1,000-acre Federal reservation, two miles from Lewisburg. Emblazoned on the proscenium arch in the prison auditorium, which is large enough to seat all the 1,450 prisoners that the institution will hold, are the words "That which is past and gone is irrevocable; wise men have enough to do with things present and to come."

Victoria Is Returning To Normal After Storm

Six Hundred Telephones Out of Commission, but Linesmen Are Restoring Communications—Seawall Suffers Further Damage

With the exception of telephonic communications, Victoria was practically back to normal last night, after Thursday morning's devastating storm.

In the Greater Victoria area all homes were again lighted by electricity and street lighting systems were again in use, it was reported. The only work remaining for the B.C.E.R. Company to complete is damage done at Deep Cove, and it is expected that this will be finished today.

Frank Paterson, general manager of the B.C. Telephone Company, said yesterday that a further check of the damage done by the storm, revealed 600 telephones out of commission in the city. The early estimate was 400.

CABLES BURNED
Crews of linesmen are working rapidly to restore telephone communications in the Greater Victoria area and to Up-Island points. Most of the trouble was caused, he said, by cables being burned out by the crossing of live power lines with telephone lines during the height of the storm.

At Sidney a further check-up revealed that the Copeland & Wright Marine Ways had lost its service station for fishing boats and a platform near the main wharf. The slip, itself, however, is intact. It was in use yesterday. It previously had been reported that the slip was washed away. However, 250 feet of the wharf was badly damaged and repairs will be effected as quickly as possible, it was reported.

BREACH WIDENED
The breach in the Ross Bay seawall was widened during the night from 700 feet to approximately 1,200 feet, so that practically all of the railing will have to be replaced. The actual loss was estimated at between \$4,000 and \$5,000. Little damage appeared to have been done to the toe of the wall, a preliminary survey revealed yesterday afternoon. Work of clearing the debris has been undertaken already, and it is

expected the Marine Drive will be passable by Christmas Day. All public works departments have set to work to open roads obstructed by fallen trees, so that by the beginning of next week everything should be back to normal.

DAMAGE HEAVY
Cordova Bay suffered greater damage than at first thought. Many boats and summer cottages were washed away by the high tide and accompanying waves. Among the heaviest losers were C. C. Johns, J. M. Stranger, Mr. Norris and George McMorran.

The barometer is rising, Napier Denison, director of the Dominion Meteorological Observatory, reported. The forecast for the next twenty-four hours is moderate to fresh south and west winds, partly cloudy with stationary or lower temperatures. There will likely be occasional rain.

Mounted Police Seize Much Rum

HALIFAX, Dec. 23.—Royal Canadian Mounted Police today had seized \$10,000 worth of Yuletide rum, and were out after more.

In a Dartmouth barn they unearthed contraband valued at \$500. In a Halifax residence they dug up \$400 worth of rum contained in a wooden box buried in the cellar. The box, equipped with a steel door, had a combination lock. A smaller seizure was made in another Halifax residence.

According to The Christian World, Dr. J. H. Rushbrooke, secretary of the World Baptist Alliance, has stated that while Roman Catholic, Eastern Orthodox and Protestant churches had increased during the century that closed with 1925 between 140 and 160 per cent, the Baptists had grown by as much as 2,216 per cent.

Buying of Human Interest Bonds Helps Money Circulate

ELIMINATE DEPRESSION DOLLARS
Healthy dollars are active and constantly on the move. One of the worst features of conditions at the present time is the depression dollar, the dollar that is hidden away in some corner and becomes bilious—it requires activity to be of any real use to the community.

Practically every individual can be the physician to these depression dollars by keeping them on the move. The Employment Service of Canada urges citizens to do this by buying Human Interest Bonds and having some work done around the home or business premises.

Seek Easier Deportation

Continued from Page 1
Directed by Chief Constable C. E. Edgett, also urged that immigration proceedings be speeded to allow as short a time as possible between deportation order and final deportation.

In this respect, the chief said, a number of agitators in Eastern Canada were recently ordered deported, but are still in Canada, pending appeals. These men, he said, are more active than ever because they realize they will have to leave Canada eventually.

Mrs. R. Hindmarch Is Called by Death
NANAIMO, Dec. 23.—Mary Ann Hindmarch, wife of Robert Hindmarch, publisher of The Nanaimo Daily Herald, passed away here today at the family residence, Union Avenue, Townsville, at the age of sixty years. Mrs. Hindmarch had been in failing health for some time, and about ten days ago suffered a stroke, from which she never fully recovered.

A native of Backworth district, Northumberland, she came to Nanaimo thirty years ago and was well known by everyone here, being prominent in the activities of the Daughters of the Empire and other organizations for the benefit of the community. Mrs. Hindmarch is survived by her husband, a daughter, Gladys, and one son, Bobby, both residing at home.

Like Tom, the Piper's Son, of Mother Goose fame, a man snatched the plump gobbler from in front of the Dominion Meat Market, 1617 Douglas Street, last night, "and away he ran."

The turkey in all probability will be eaten, which is the moral of the nursery rhyme, will not be determined until police either catch the culprit or give up the search.

Jackie Caston and Benny Gallup Draw

SEATTLE, Dec. 23 (AP).—Jackie Caston, Seattle featherweight, and Benny Gallup, of San Francisco, battled to a six-round draw at the White Centre Arena last night. Benny fought a smart, determined fight throughout, but had his cleverness offset by Caston's speed and frequency of wallop-connections.

Honey Boy Edwards, Spokane feather, pointed out a decision over Bert Flores, Los Angeles, in the six-round semi-final.

Hubbard: "Did you make these biscuits, my dear?"
Wife: "Yes, darling."
Hubbard: "Well, I'd rather you would not make any more, sweetheart."
Wife: "Why not, love?"
Hubbard: "Because you are too slender for such heavy work."

Two colored boys were handling a large tire when a bystander offered a quarter to the one who guessed the nearest to its weight. The first boy guessed thirty-five pounds. The other boy laughed contemptuously. "Boss," he said, "dat shows how ignorant some niggers is. Ah jest put seventy pounds of air in dat tire."

Solarium Children Charm Audience by Delightful Playlet

Directors and Numerous Other Visitors Attend Annual Christmas Entertainment at Mill Bay—Santa Distributes Gifts From Decorated Tree

QUITE the best of the several Christmas entertainments that have been given by the children at the Queen Alexandra Solarium took place yesterday afternoon in the presence of an audience composed of directors and other loyal friends of the institution.

While Santa Claus' visit, the distribution of gifts from the Christmas trees in the three gaily decorated wards and the feast of ice cream and cake which followed were important in the afternoon's proceedings, they were completely overshadowed, so far, at least, as the audience was concerned, by the delightful play presented by the little patients. Frequently interrupted by applause, it filled a delightful hour, revealing the charming naturalness and well-developed imagination of the young actors.

CHARMING PLAYLET

Written by Miss Ebs-Cavanagh, of the Solarium staff, it told the story of an invalid girl, Baba, whose parents have been advised to send her to the Solarium for treatment. When the play begins the father and mother are in the midst of a delightful play presented by the little patients. Frequently interrupted by applause, it filled a delightful hour, revealing the charming naturalness and well-developed imagination of the young actors.

friend. They vanish, to reappear a moment later in school dress. It is divulged that they are, in everyday life, Solarium children, and intensely enthusiastic about it. Baba is now eager to go with them, and the story ends with an outburst of ear-splitting as the children realize that they will have Baba with them on the morrow.

The parts were enacted with delightful realism, the children quite unconscious of spunk or iron shoe or plaster-cast so wholeheartedly did they throw themselves into their roles. Madge Wong, the Chinese girl, who later in the afternoon received the Dame Millicent Fawcett Memorial prize for having "most consistently done her best during the year, despite handicaps," enacted the part of the father; Alleen Steel, a clear-voiced girl, who had to remain in her wheelchair, was the very animated mother, and Mary Loveday, prone on her back at all times, enacted the part of Baba as to the life.

All the other parts were inimitably well done. Annie de Jaeger taking the part of Bo-Pop; Joan Sparrow that of Boy Blue; Mildred Holder, Robin Hood; Douglas Collinson, Jack Horner with his plum pudding; in connection with which the children sang as a chorus, "O Dear, What Can the Matter Be!"; Mary Nielson, Little Miss Muffet; and Elmore Hankinson, Jack the Giant Killer.

PIRATES ARRIVE

Shouts of laughter greeted the advent of the pirates, thorough-going ruffians with pistols and sailing looks. These two parts were splendidly acted by Bobby Brown and John Craig. Tom-Tom, the Piper's Son came from the stage, and Delbert Alexander, "Old King Cole" was sung as a chorus after Derek Robinson appeared in this role. There were also the King and Queen of Hearts, played by Irene Brown and Skeena Mantle; Wee Willie Winkle, played by Betha Beal; Old Mother Hubbard, Emma Zarko; the Old Woman Who Went to Market, with market basket complete, played by Marjory Akehurst; Peter the Pumpkin Eater, Robert Guay; Simple Simon, Theo Ross; Barbed Shave a Pig, Billie Mackay; Humpty-Dumpty, Junior Maxwell; a tiny bunny, who was Enda Wallace, and two cats, Barbara Eyles and Rita Gibson.

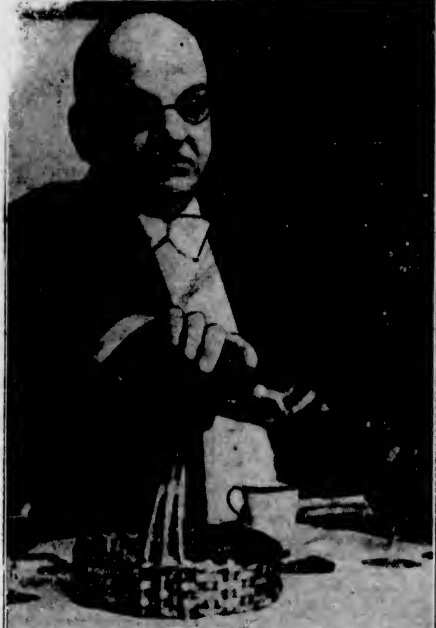

But this was not all, there was a pretty fairy in a gauze and silver dress, in real life Elizabeth Black; two Daffy-Down-Dillies, played by Amiko Sasaki and Ena Simpson; Tommy Tucker, a part taken by Jackie Kyle; a page, played by Marie Hartman; Sinece, Myrtle Hansen; the maid, Phyllis Parker; Taffy the Welshman, played by George Gammur, and Diddle-Dee-Dee, played by A. Pratt. The party was broken up when the Old Woman Who Lived in a Shoe (Anne Silla), came in and accompanied of much laughter, bustled her big family out to the from the spectators.

Recitations, songs, and bits of dialogue gave a lively interest to the performance, and even the tiniest children spoke and acted with complete lack of self-consciousness, the words ringing clearly through the big hall. The car singing came at the end, with all the characters assembled in front of the audience. "Away in the Manger," "Good King Wenceslas," and "Holy Night" were very sweetly sung.

MAKES PRESENTATION

Before the presentation of the Dame Millicent Fawcett memorial prize to Madge Wong, Dr. Cyril Wace, medical superintendent of the Solarium, explained the origin of the foundation, and referred to the courageous spirit shown by Madge

In overcoming the handicap of a plaster cast which for eighteen months after her entry to the Solarium had kept her flat on her back. In two years, despite this handicap, she had covered five grades in school work. Robert Lee, who shared the prize this year as "the best boy," left the Solarium, cured, last July after treatment for tuberculosis of the spine, and a recent letter had vouched for his health by telling of a ten-mile bicycle ride.

W. B. Langan, chairman of the Solarium board of directors, made the presentation to Madge. In his address he thanked the children cordially for their delightful entertainment. Dr. Wace subsequently expressing appreciation to the staff (particularly Miss Jean Graham and Miss Giles) and to the children.

SANTA ARRIVES

Santa appeared the moment the entertainment was over, and his bright red tunic could be seen for the next twenty minutes moving from cot to cot distributing gifts as the children were stripped of gaily decorated trees. Toys of every description, games, books, dolls, crackers, needlenoses, and various kinds of noise-makers were soon in the hands of their delighted owners.

Next came a marvelous Noah's Ark, fashioned in solid ice cream. The gift of the Vimpa Company, it was trundled up and down the entire three wards of the Solarium for exhibition before the lions, giraffes, zebras, and other historical

NO LEGAL BEER FOR CHRISTMAS

U.S. Senate Shelves Beverage Issue Until After New Year

WASHINGTON, Dec. 23 (AP).—The Senate snatched an effort today to force immediate action on the House, 32 per cent beer bill, throwing the controversy into the new year with assurance of prompt consideration there.

A single-handed attempt by Senator Bingham, Connecticut's Republican, to put the bill before the Senate failed by a vote of 23 to 48, with Democrats taking the lead in opposing the measure.

DEATH KNEEL OF HOPES Defeated, Bingham drew applause from the galleries by hailing the vote as the death knell of hopes for "beer by Christmas," and adding: "We will be lucky if we have beer by next Christmas."

Senate leaders asserted the vote was not a test of strength on the beer issue, but merely meant the Senate wanted to consider the beer legislation in the usual manner, after study by its committee.

REFERRED TO COMMITTEE The House bill has been referred to the Senate Judiciary committee, and Chairman Norris has called a meeting to begin its consideration Monday.

It is more likely that action will be postponed until after the Christmas recess, because even Norris concedes it will be difficult to obtain a quorum of the committee Monday.

HARPELL GUILTY OF DEFAMATORY LIBEL; SENTENCE RESERVED

Continued from Page 1

permission to add a word or two, said: "While Mr. Harpell is technically on trial it is really my character that is on trial. Never in all my life have I used one dollar of the company's money improperly or for my own purposes. Never once did I allow considerations of personal benefit to weigh with me in deciding on the investments of the company."

RECOMMENDS LENIENCY The jury took an hour and forty minutes to reach its verdict and recommended leniency on the part of the judge. Just before they retired they were told, in the judge's charge, the truth of every statement in the alleged libel had to be proved to justify acquittal—and not merely the truth of a part of it.

Alme Geoffrion, K.C., for Mr. Macaulay, told them no evidence had been produced to prove a single statement in the article complained of. Evidence the Sun Life has posted money on one or two bad investments was no evidence. Mr. Macaulay was "a crook," as the investments were passed upon by other officers of the company.

During the stock market boom of 1928, said Mr. Geoffrion, there was only one man out of the 1,000,000 policyholders of the Sun Life who had the courage and the foresight to criticize the company for investing in common stocks. That man was Harpell and the stand he took then had been justified by experience since. In fact, he contended, Harpell had performed a service of greater benefit to life insurance companies generally than any other man in twenty-five years.

NOT AN INQUIRY "We must not forget that this is a court case and not an inquiry," said Mr. Geoffrion. The evidence had not been directed towards determining the honesty of Mr. Macaulay but towards an investigation of the Sun Life's bookkeeping methods.

Charges of complaint had "faked his books," and "preyed on the people" were "wholly fictitious and unproved," the prosecutor declared. In any case the company's books had nothing to do with Mr. Macaulay, who was president. Arthur B. Wood, attorney, the auditors and George Finlayson, Dominion superintendent of insurance, were all responsible for the books. Mr. Finlayson's department examined them and offered no criticism.

Finlayson's objections to evidence throughout the trial had been merely for the purpose of keeping the case within reasonable bounds. Mr. Geoffrion said it had been "foolish" to bring Mitchell P. Hepburn, Ontario Liberal leader, to Montreal to testify about Mr. Macaulay's conduct before the banking committee of the House of Commons.

"POLITICAL CAMPAIGN" "Mr. Hepburn is running a political campaign against Mr. Macaulay," he said. "Do you think I would accept his word with the prejudices he has?"

Defence had attempted to make capital out of the two Insull loans, said Mr. Geoffrion. One was for \$400,000 to Samuel Insull and the other for \$9,375,000 to Insull Utilities Investments Inc. It has been proven they were not really loans at all but transferring of accounts. The Sun Life had made profitable sales of securities to Insull in each case and had been paid in full.

As to the charge the shareholders were given too large a share of the profits of the company as compared with the policyholders, Mr. Geoffrion contended the distribution had not been criticized by the Dominion Government.

SEATTLE PATROLMAN SHOTS FLEEING BOY

SEATTLE, Dec. 23 (AP).—Patrolman William J. Tynnell shot Richard Vanator, eighteen, chipping his spine, here, today, when Vanator and a companion, Curtis Lyle, twenty-nine, attempted to escape while police questioned them. Vanator was reported in a serious condition.

Tynnell and another patrolman stopped Vanator's car for investigation, and said they found a rifle, two gasoline cans, siphon hoses and a quantity of groceries.

SAN FRANCISCO, Dec. 23 (AP).—John H. MacKenzie, seventy-five, widely known for his mining operations in Alaska, the Western United States and British Columbia, died at his home here tonight after an illness of several years.

Pro Patria Branch of Canadian Legion Entertains 400 Children

The children of members of Pro Patria Branch, Canadian Legion, were given a most enjoyable afternoon and evening yesterday when the organization was the host at a supper and Christmas tree celebration in the A.O.F. Hall.

The proceedings started at 3 o'clock in the afternoon when the children assembled in the main hall, and under the direction of Mrs. Merriman, of the Ladies' Auxiliary, assisted by members of the general committee, superintended a programme of games in which more than 400 children participated. Meantime an energetic committee was busy in the kitchen and the dining-room of the hall preparing for the bounteous supper, which was served at 4:30 o'clock.

FINE PROGRAMME
This part of the function over, the children again assembled in the main hall where a Christmas tree was on view with Santa Claus in attendance distributing well-filled stockings to all the children. In addition, a programme of singing and other entertainment was provided, in which Thomas Obee, "Buster" Brown, Stanley James, H. Hutchings and F. Pullen rendered numbers.

The special committee in charge of the arrangements had as its chairman, F. Sparks, head of the ways and means committee, who energetically looked after the various features of the day. Assisting him were W. H. Robbins and James McCahill, J. H. Franks, president, and C. A. Gill, secretary, of the Pro Patria Branch, lent every assistance. The Ladies' Auxiliary, under the presidency of Mrs. J. E. Ricketts, had a very energetic committee looking after the arrangements, which fell under that section of the organization.

COLORFUL ROLES FOR FAVORITES

Charles Farrell and Janet Gaynor in "Tess of the Storm Country," at Dominion

Departing widely from their customary type of vehicle, Janet Gaynor and Charles Farrell prove to be more romantic and more picturesque than ever in "Tess of the Storm Country," which opens tomorrow at the Dominion Theatre.

In the colorful role of a sea captain's daughter who comes to the rescue of her father because of his interest in the heroine, likewise and her tempestuous disposition severely tried by the various obstacles she meets, Miss Gaynor gives one of the best performances in her entire career. Farrell, as the millionaire's son who is disowned by his father because of his interest in the heroine, likewise and her tempestuous disposition severely tried by the various obstacles she meets, Miss Gaynor gives one of the best performances in her entire career. Farrell, as the millionaire's son who is disowned by his father because of his interest in the heroine, likewise and her tempestuous disposition severely tried by the various obstacles she meets, Miss Gaynor gives one of the best performances in her entire career.

Alfred Santelli's fine direction and the brilliant work of a supporting

cast headed by Dudley Digges, Claude Gillingwater, June Clyde and Edward Pawley, add to the realism and entertainment qualities of this Fox Film production.

COLUMBIA "Breath of Promise" THEATRE is the current feature attraction at the Columbia Theatre with Chester Morris and Mae Clarke teamed together for the first time. Here is an unusual type of story wherein the usual type of romance is handled in an entirely original style, thanks to the superbly smooth direction of Paul Stein.

PLAYHOUSE Among the mythic THEATRE exploded in his new adventure film, "Around the World in Eighty Days," now at the Playhouse Theatre, is that of the sacred white elephants of India. Doug's camera proves that these beasts are really white, but of a lighter shade than their dusky fellows. There is an abundance of humor in the new Fairbanks film, which is the star through many exploits in Japan, China, India, Siam and Indo-China in the course of his journey around the globe.

CAPITOL "Divorce in the Family," THEATRE drama of divorce and its effect upon children of disrupted families and wrecked homes, is the attraction now showing at the Capitol Theatre, with Jackie Cooper, diminutive hero of "The Champ" and "Skippy" in the central role. The new Metro-Goldwyn-Mayer picture is an original story by Maurice Rapf, directed by Charles F. Reisner, famous for "Caught Short," "Polities," and other hits.

ROMANO Theatregoers who remember the "Mike and Ike" comedies Universal made, and likewise the "Excuse Makers" and "Bunny Jim" comedies, will recall that L. King, one of the most consistent comedy performers of the past eight or ten years. But King appears in the new picture, "The Oklahoma Cyclone," produced by Trem Carr, and it is his second "heavy" role. Bob Steele in the featured picture, "Oklahoma Cyclone" is now at the Romano Theatre.

CHRISTMAS EVE SCENE IS EFFECTIVE FEATURE

The most beautiful scene in the pantomime revue to be produced for the holiday season by the Victoria Operatic Society on Monday afternoon and evening and Tuesday evening, will be "A Medieval Christmas Eve." A very real castle with feasting and dancing makes up this interesting scene. The lady of the castle welcomes the guests, attended by pages, all of whom are splendidly attired in the costumes of the period, and with all the accompanying music, color and pageantry, graces the ceremony of bringing in the "Yule Log." A general atmosphere of good cheer and happiness will pervade the proceedings. The Waits will sing "Good King Wenceslas," and the whole company will join in singing "When Ships Come Sailing In."

The whole scene will be tremendously effective, making as it does a most impressive stage picture. Much time and thought has been expended on these different scenes.

Charles Farrell and Janet Gaynor in "Tess of the Storm Country," at Dominion

Departing widely from their customary type of vehicle, Janet Gaynor and Charles Farrell prove to be more romantic and more picturesque than ever in "Tess of the Storm Country," which opens tomorrow at the Dominion Theatre.

In the colorful role of a sea captain's daughter who comes to the rescue of her father because of his interest in the heroine, likewise and her tempestuous disposition severely tried by the various obstacles she meets, Miss Gaynor gives one of the best performances in her entire career. Farrell, as the millionaire's son who is disowned by his father because of his interest in the heroine, likewise and her tempestuous disposition severely tried by the various obstacles she meets, Miss Gaynor gives one of the best performances in her entire career.

Alfred Santelli's fine direction and the brilliant work of a supporting

cast headed by Dudley Digges, Claude Gillingwater, June Clyde and Edward Pawley, add to the realism and entertainment qualities of this Fox Film production.

WILL OBSERVE PRAYER WEEK

To Hold Services Here in Conjunction With Other Canadian Churches

In conjunction with the other churches of Canada taking part in the Dominion-wide Prayer Week, to be observed from January 3 to 6, the Victoria Ministerial Association has arranged an extensive programme of prayers and addresses for ministers of all denominations. All meetings will be held in St. Andrew's Presbyterian Church in the evening, while afternoon sessions will take place at the Y.W.C.A. at 3 o'clock under the direction of Rev. A. deB. Owen.

Prayer Week is sponsored by leading churches throughout Canada for the purpose of offering ministers an opportunity of a period of consecration of churches, business and industry, home life and international relationships.

OPENING SESSION
On Tuesday, January 3, Adjutant Thierston will lead in prayer at the opening session and the speaker will be Rev. M. S. Richardson. The subject in the evening will be the consecration of churches.

On Wednesday, Rev. Dr. G. B. Switzer will be the speaker and will discuss consecration of business and industry. Rev. F. Conley will lead in prayer. Thursday's speaker will be Rev. E. P. Church, on consecration of home life, with Rev. H. P. S. Luttrell as leader. Consecration of international relationships will be discussed on Friday by Very Rev. C. S. Quinlan, Dean of Columbia, and prayer will be led by Rev. G. A. Reynolds.

The annual meeting of the Bible Class will be held at the close of the service.

Leaders of Oxford Groups

SOME of the leaders of the Oxford Groups, latest evangelical movement that is sweeping through Canada, are shown above. They have appeared in a number of large centres in this country to give their personal testimony, confessing a new religious awakening. The chief feature of their revivals is the "house party," where interested guests talk over with one another the problems of their individual experience.

Miss Mairi Clarkson, B.A., of Hons. Oxfordshire, England, is shown in upper left, with Rev. Frank Buchanan, formerly of Detroit, Michigan, founder of the groups, at the right. Lower left is Robert Drury Lowe, C.M.G., war veteran and peace worker. Typical of the cosmopolitan interest in the movement is the presence of Baroness Lillian Van Heesken Van Kell, of Holland, shown in lower right.

set out for Kamloops in the service of the Hudson's Bay Company, and walked there from Yale. Later, Mr. Martin left the Hudson's Bay Company to take up farming on the South Thompson River. It was as a member from this district that he served in the Provincial Government, both as a representative and a Cabinet minister.

WILL BE BUSY DAYS
Today and tomorrow will be busy days in the Martin home, as many friends are expected to call upon the couple, who have seen their infant son grow from his infancy into full manhood.

During the past year, Mr. Martin suffered a prolonged illness, but a news reporter yesterday visited the home and exchanged the season's greetings and enjoyed the light repast of cake and wine prepared by Mrs. Martin.

ROLAND GIRLING'S BODY RECOVERED
Victim of Storm Found 300 Feet Out From Rocky Bay on King George Terrace

The body of Roland Girling, who was drowned while trying to retrieve a rowboat that had blown adrift in Thursday morning's storm, was recovered yesterday by Constable L. G. Claydars, of the Oak Bay police, who was assisted in the dragging operations by Constable T. Bradshaw, of the Provincial Police.

The remains were found some 300 feet out from shore, in front of the small bay near the Girling home on King George Terrace. Constable Claydars recovered the body by dragging from the rocks that protrude out into the Trial Island tidelip.

An inquest will be held at Haywards B.C. Funeral Chapel. Funeral arrangements will be announced later.

PRIVATE SERVICE HELD
The funeral of Mrs. Sara Ann Hodge, 2941 Orilla Street, took place yesterday afternoon to Ross Bay Cemetery. A private service for immediate friends, held at the residence, was conducted by Rev. A. M. Acheson-Lyle and Rev. Dr. S. Howard.

LAID AT REST
Funeral services were held yesterday afternoon for Mrs. Helen McKenzie, who passed away on December 22. Rev. John Robson officiated. The pallbearers were C. Harris, J. L. Jeffrey, William Bones and F. Burridge. Interment was made in Royal Oak Burial Park.

Library Hours—The Victoria Public Library will be closed all day Monday, which has been declared a statutory holiday. It will remain open from 2 to 9 p.m. on Sunday, however.

Missing Man—The police search for J. C. Jordan, ex-naval man, who has been missing from his rooming house since last Friday, jumped to the mainland yesterday, when a report was received that he had gone to Vancouver.

By-Law Completed—Final reading of the loan by-law, authorizing the borrowing of \$55,000 to meet the current year's expenditures was given at a special meeting of the council last night. The by-law passed, with Councillor I. C. Hagan voting against it.

Court Vacation—Commencing at noon today, Victoria's Supreme and County Courts will observe the regulation holiday period, and registry offices will open at 10 o'clock in the morning and close at 2 o'clock in the afternoon until January 3. Judges will also be on vacation, and only emergency cases will be dealt with during the holiday week.

Write by Candlelight—Students of Victoria College were caught unaware by the storm which swept Victoria on Thursday in the midst of their examinations. For a short period while lighting service was disrupted, it was necessary to bring several candles into use in order that the students might continue their writing.

May Resume Service—Resumption of the library service in Saanich on the same terms as residents of unincorporated districts will be sought by an appointed committee shortly. It was decided at a meeting of the Saanich Council on Thursday night. Those comprising the committee are: Reeve William Crouch, Councillors Fred Borden, L. C. Hagan, Rev. Owen Jull, Captain H. B. Babington and F. P. Beckett.

Decisions Are Pending—The Provincial Government paused yesterday over the selection of a commissioner for Burnaby district; settlement of its action in regard to a request for a change in the motor licence year, and its reply to the municipalities on relief affairs. No decision was reached at the close of the day on any of these issues, pressure of departmental affairs intervening.

Christmas Vacation—Heading the pre-Christmas exodus from the provincial capital, Hon. R. W. Bruhn has left for Salmon Arm, intending to stop at Vancouver on affairs of his department, before proceeding to his constituency for the Christmas holidays. He will be followed by several other members of the Government today, as the Legislative Building will close at 1 p.m. and remain shut until Tuesday morning. Civil service staffs who work today will have a half day off at the next week-end.

Makes Health Report—British Columbia will report a record low mortality and sickness return this year, according to Dr. Henry E. Young, provincial health officer, who, in a memorandum to Premier Tolmie yesterday showed the health statistics of British Columbia citizens, despite the winter weather. A careful watch has been kept especially on the children in schools. The mortality rate will be the lowest on record, if the remaining few days follow the course shown in the rest of the year.

Was Good-Hearted—S. W. Orsborn, a stage driver on the route between Chilliwack and Harrison Hot Springs, who was fined \$300 for obliging residents along the route by picking up parcels for them, including wet goods, had \$250 of the fine remitted by the British Columbia Government yesterday. In an able plea on the man's behalf, his counsel submitted through the courts a strong argument in favor of remission. While technically guilty, the stage driver had merely been a little too obliging, it was pointed out.

Planning a little Christmas surprise

"IMAGINE a bird my age feeling all-of-a-dither about a telephone call! I'm getting ready to call up my mother 'way back in the Maritimes. This long-distance call is a little Christmas surprise I'm giving her. We're going to spend three minutes together on a telephone line. We won't say anything outstanding, but there's going to be a lot of feeling packed into those three minutes. Mother and I haven't seen each other for four years."

AIRWOMAN HAS NARROW ESCAPE

Planes Become Locked Together After Colliding in Air—No body is injured

SYDNEY, New South Wales (BUP).—One of Australia's foremost airwomen, Mrs. H. Bonney, had a caught them both, either forcing her

remarkable escape from disaster during the last stages of a recent solo flight around this continent. She was flying from Melbourne to a Victorian country town when her machine and another touched in mid-air.

Then the left wing of the other plane tilted vertically and her machine dropped like a stone. Mrs. Bonney got her machine under control, circled around, and saw with immense relief that the pilot of the other machine had flattened out his plane close to the ground, and despite the loss of his rudder, had made a safe landing.

Panther Woman Is Seeking Obscurity

HOLLYWOOD. — If Kathleen Burke, Paramount's Panther Woman, has her way, she will be assigned a number of obscure roles in forthcoming motion pictures.

The Panther Woman has just completed her exceedingly important part in "Island of Lost Souls," the role for which she was selected from 60,000 candidates throughout

the country. Although she is reported to have acquitted herself with outstanding honors in her screen debut, Miss Burke declares she does not wish to continue immediately in other leading roles.

"I was given a lead in my first screen appearance because I was the type wanted," Miss Burke explains. "If I expected to continue in equally important parts, they naturally would have to be ones that call for the same type."

"But it is my ambition to be a real actress, capable of playing varied roles. To fit myself for such a career I believe I should 'go through the mill.' I would like to do all sorts of small parts in many pictures, from comedy to drama. After months of such experience I feel I would be prepared and possess the necessary confidence to assume more important roles."

STRONG TEAMS TO MEET IN BENEFIT MATCH TODAY

Huge Crowds Attend Amateur Ice Games In Eastern States

Simon-Pure Tussles at New York Drawing Up to 12,000 Spectators—Many Canadian Players Coaching Juniors Throughout Country

NEW YORK, Dec. 23 (CP).—Popularity of amateur hockey is sweeping across Eastern United States like a January blizzard. Crowds undreamed of a few years ago are attending the games in Boston, Atlantic City, Baltimore and New York as the professional moguls look on enviously.

Senior city leagues, junior groups, high school circles and even juvenile loops have been organized in these places on a scale rivaling the well-founded amateur organizations in Ottawa, Toronto and Montreal.

New York City today has the greatest number of registered players in its history. The senior games are attended by large crowds. At the start of the season 4,000 and 5,000 was the average, but now it has swelled to above the 10,000 mark.

More than 11,000 saw an amateur double-header here two weeks ago. Last week more than 15,000 flocked to Madison Square Garden to see Atlantic Sea Oulds, United States champions, defeat St. Nicholas Hockey Club in an exhibition contest.

CANADIANS COACHING
Commenting on the enthusiasm amateur hockey has received this season, Lincoln Dickey, well-known Atlantic City official and owner of the huge rink there, praised Canadian youths for their part in encouraging youngsters to take up the game.

"That is one of the main reasons the game is taking such a hold," said Dickey. "We have eight Toronto boys on our team. Each one coaches a team in the junior city league."

"I know the Canadian hockey authorities don't like it because we have a number of their star players down here, but unless we have good players how is the American game going to develop? And if you don't encourage the kids how long will hockey last in this country? How long would it last in Canada if that matter if the young boys were not encouraged?"

HAVE GOOD TEAMS
"We have a bunch of fine upstanding boys on the team. We have a good rink and we get good crowds. Everyone is happy. That statement of the Canadian Amateur Hockey Association did both boys a bit at first."

The C.A.H.A. statement Dickey referred to warned players in United States to return to Canada before January 1, or suffer suspension for one year in so far as their Canadian status was concerned.

While this is issued early each winter, United States sports writers seized upon it this time for a well-played feature. It may have been the reaction of guilty consciences. At any rate the statement brought forth widespread comment in all Eastern papers. Practically every club in the United States is built around Canadian-born hockeyists.

had been unable to reach Gairnor, who is visiting relatives on Long Island, to find whether the terms Ottawa offered were acceptable.

Second Division Soccer Fixtures Scheduled Today

Two Second Division fixtures are on card in the Pacific Coast Football League this afternoon at 2:30 o'clock. Saanich Thistles will tangle with Victoria West on the lower Beanco Hill Park ground, while Victoria City will meet Esquimalt at upper Beacon Hill, with Billy Okeil in charge. Both games are expected to be closely contested.

Line-ups follow:
Victoria West — Price, Painter, Williams, Jack, Geoghean, Nobel, Young, Lambie, Luxton, Okeil, Poyntz, Coster, Dekers, D. Jack. Players are asked to be at the field at 2:15 o'clock.

Victoria City — Stewardson, D. Robertson, Pura, Knapp, Anderson, A. Robertson, Chenworth, James, Bell, J. Pura, Vashere, Hyne, Holm, and Kellett. Players are asked to be at the Veterans of France not later than 1:45 o'clock.

GOOD SHOW
Brooks put on a good show in his first battle in Victoria for some months. He lost the first fall to Pereira by a hammerlock, but the latter held for over four minutes in the second round. Brooks conceded the fall. The two men went to the third round, but neither could get a fall. In the fifth stanza, Pereira tried for a fall by the flying headlock route, but "Rocky" picked him up for a body slam and press to tie the bout up.

Both preliminaries were good. In the first, "Spider" Mascall again tackled Bill Steen and neither boy got a fall. In the second, Bruce Lowe and Lloyd Fenion started the bout, but Fenion cut his eye badly after two or three minutes and had to leave the ring. Reg Hopkins substituted and took two falls from Lowe in a fast bout.

All Springfield Hockey Players Are Disposed of
NEW YORK, Dec. 23 (AP).—Lester Patrick, president and manager of New York Rangers of the National Hockey League, today announced that the disposition of the players of the defunct Springfield Indians of the Canadian-American circuit had about been completed.

The players have been disposed of as follows: Gordon Pettigrew, Rangers; Wilf Starr, New York Americans; Alfie Moore and Phil Perkins, Cleveland of the International League; Jimmy Arnot and Lude Palm to Regina; Clint Smith to Saskatoon, and V. Desjardins to St. Paul of the American Association. Patrick said Norman (Dutch) Gairnor probably would go to Ottawa of the National circuit, but that he

Sid Tries but Bull Just Won't Fight

EIGHT WILL COMPETE IN SWIM EVENT

Carrie Grey to Defend Honors in Annual Christmas Day Plunge

Eight aquatic stars, who have no fear for weather conditions, will plunge into the Inner Harbor, Monday morning, at 11 o'clock, to compete in the annual Christmas Day fifty-yard handicap swim. The race is held yearly in front of the Parliament Buildings, and is open to all amateurs in the city. Carrie Grey, Y.M.C.A., holder of the handsome Harbord Cup, emblemate of the honors, will be on deck in an effort to make it three in a row. She won out last year and in 1930 after five exhibitions.

Mrs. Grey will be given plenty of opposition by Bill Robertson, V.A.S.C. star and a former winner of the race. Harry Church and Lloyd Mathews, two new members of the Victoria club, will be out after the laurels this year. Both are good swimmers and are expected to make an excellent showing. Bert Buller, husky Rugby star, will fly the colors of the 5th Regiment, while Dan Dowell, another rugged, will defend the honors from Carrie Grey for the gunners.

Bob Blair will make another attempt to win the trophy and will swim under the Y.M.C.A. colors. From the Crystal Garden Club will come Bob Shade, one of the city's most prominent swimmers. Several more entries are expected to be filed before the event gets underway. All arrangements are complete and one of the closest races in years is predicted.

ESQUIMALT LINE-UP

Line-up of Esquimalt's Second Division soccer team for today follows: Barker, Wallace, March, Edwards, Y. Hicks, W. De Costa, Lund, Collins, Burnett, Richard and Evans. Reserves, Parker, S. Hicks and Alexander.

Babe Didrikson Reaffirms Move Of Turning Pro

ST. LOUIS, Dec. 23 (AP).—Mildred (Babe) Didrikson announced today that the reinstatement action of the Southern A.A.U. will not affect her decision to turn professional. "I do not in the least regret the decision I have made," she said in a statement issued to the press as she boarded a Chicago-bound train.

With the fine mark of 235 for thirty-four games, Harold Paulding of the Y.M.C.A. team, led Senior Pylepin League trundlers at the Olympic alleys for the first half of the season. A single point behind came Howell, of Our Own Brand, while Clyde Savage was next with two wins and ten losses. Times was next with twenty-six wins and sixteen setbacks.

RALPH GREENLEAF ISSUES CHALLENGE FOR CUE FIXTURE

NEW YORK, Dec. 23 (AP).—Ralph Greenleaf, world's pocket billiards champion for the twelfth time, today issued an open challenge to any player to meet him in a 10,000-point handicap match for a side bet of \$2,500 or less, Greenleaf to give his opponent a point for every dollar bet.

Under the terms of the challenge, Greenleaf thus would give a 2,500-point posting the full limit bet \$2,500.

Erwin Rudolph, Greenleaf's leading challenger for the world title for several years and champion of 1930, was believed ready to accept the offer.

Maccabees and Wards to Clash In League Game

MACCABEES and North Ward will meet in the First Division of the Victoria and District Football League this afternoon on the lower Beanco Hill Park pitch at 2:30 o'clock. The former are holding down third position and hope to strengthen their hold by trimming the Wards. North Ward have been in some close games since the curtain went up, but to date have failed to break into the score column. With a strong team, the Wards will force their opponents to the final whistle in the argument for the points.

Intercity Team Will Face Stiff XI at Enclosure

Formidable Sides to Play Exhibition Match in Pacific Coast Football League at Royal Athletic Park at 2:30 o'clock—Proceeds Will Be Given to City—Big Crowd Expected

With both machines well primed and ready for the whistle, Victoria's intercity eleven will clash with "The Rest" this afternoon at 2:30 o'clock, in an exhibition fixture in the Royal Athletic Park.

George Davies will act as linesmen.

The smart intercity eleven will enter the fray slight favorites due to them playing together in several games. Their teamwork from the back division to the front rank showed improvement in their last game against St. Saviours, although they suffered defeat. Intercity's forward line has been their downfall to date and therefore the fans will watch this department to see if it is improving.

CHALMERS IN GOAL

Officials have lined up a strong team to oppose the intercity clan and a decision in their favor wouldn't surprise the spectators one bit. Gordie Chalmers, Victoria City goalie, has replaced Wilhurst between the sticks, while Joe Crowe, Saanich Thistles, and Fred Doobyn, of the City, will team up on the back division. Chalmers is capable of turning in a good performance and lots depend on his co-operation with his teammates today.

Ronnie Williams, Saanich Thistles, Dan Telfer, of the City, and Ivan Sweeney, Esquimalt, comprise a hard-working intermediate rank. Cyril Connon, Victoria West, will play right wing, while John Watt, Esquimalt, will flank him on the inside lane. Moll, Saanich Thistles, hustling centre forward, will look after the pivot, while "Scotty" Robinson, Victoria West, and Les Gibbons, a former of Robinson's, will form the left wing combination. Bert Saville, Saanich Thistles, and Tommy Smith, Victoria City, will be the reserves and will see action before the game ends.

Everyone is familiar with the line-up of the intercity eleven as they have been before the public eye in five games already this season. Louis De Costa, Esquimalt's brilliant goalie, will guard the rigging, while Joe Watt, Esquimalt, and Fred Gibbons, Victoria City, will form the defence. Eddie Vigners, Saanich Thistles, Bill Boyd, Esquimalt, and Terry Peers, Victoria West, will be his usual position of right wing, and Freddy Price, Saanich Thistles, will be at inside right. Alex "Scotty" Stewart, Esquimalt's scoring ace, will shoot from the front, and Mike Wagland, Esquimalt, complete the line. Ernie Betteridge, Victoria West, Danny Nancy, Victoria City, Frank Saunders will handle the field, and George Leggett, Saanich Thistles, will be the substitutes.

FRED GIBBONS
hard working left fullback of the intercity eleven, who will be seen in action this afternoon in the city benefit match against "The Rest" at the Royal Athletic Park.

The First Division of the Pacific Coast Football League, with the proceeds going to the city benefit fund. As this is the only senior Coast League tussle on the day's programme, a large crowd is expected at the enclosure. Great interest has been aroused over the match and an evenly fought fixture should result with two strong sides taking the field. Frank Saunders will handle the field, and George Leggett, Saanich Thistles, will be the substitutes.

GARDEN MAY LOSE HOLD ON HEAVIES

Signing of Schmeling and Baer by Dempsey May End Monopoly

By HERBERT W. BARKER
NEW YORK, Dec. 23 (AP).—The monopoly Madison Square Garden has enjoyed on prime heavyweight attractions since the days of Tex Rickard, was threatened today. Boldly testing his quarter today, Dempsey announced he had signed Max Schmeling and Max Baer for a fifteen-round bout some time in June. The site was not specified, but Dempsey said it would be either New York or Chicago. Other cities will figure in the situation only if some unexpected hitch develops in Dempsey's present plans.

Other promoters have sought to "back" the Garden in the past, but most had two strikes on them before they went to the plate, either because the Garden had the best locations or the best fighters, or both, tied up with outright contracts.

ALL TIED UP
Not so with Dempsey. Jack has his fighters—and they are good ones—safely signed, and through his association with Tim Mara, he will have his choice either of the Polo Grounds or the Yankee Stadium for the fight. Mara has the two big ball parks under lease for boxing, and is duly licensed in this state as a promoter.

Chicago, it was understood, is genuinely anxious to stage the fight as a World's Fair attraction, and probably will have some persuasive arguments for Dempsey's ear. The Garden, in the meantime, first itself in a position where it has the heavyweight champion, Jack Sharkey, safely under contract, but no outstanding rival for him to meet. Under the terms of the contract, the Garden is obligated to find someone for Sharkey to fight by June 30. With Schmeling and Baer unavailable, the Garden will be forced to look elsewhere, possibly in the general direction of Primo Carners.

ORPHANS WILL HAVE SWIM ON WEDNESDAY
Children from the Protestant Orphanage Home will be the guests of the Crystal Garden management and team, Wednesday night, at 7 o'clock, at the Garden. The children will be given a swim and entertained by members of the team.

RYDER CUP GOLF WILL BE PLAYED

Americans Have No Intention of Canceling Next Year's Match

NEW YORK, Dec. 23 (AP).—The Professional Golfers' Association has the money, and already is considering the men for the Ryder Cup golf matches in England next June, said George Jacobs, P.G.A. president, today, in dispelling any doubt as to whether the international golf classic would be held.

"As early as last November," Jacobs said, "we advised the English authorities we would send a full team over to play the matches, and we would have \$10,000 in the treasury earmarked for that specific purpose."

"All this talk that economic difficulties might cut down the size of the team or that we were selling golf balls to raise the money is just so much baloney."

"We're going to send a team of eight men, an alternate and a manager. Despite the lower traveling and living costs we're going to send them over in the style to which they have been accustomed, with \$1,000 as expense money for each of them."

TO PICK TEAM SOON
Jacobus disclosed that a new method of selection is being used this year, with the twenty-five heads of the P.G.A. sectional organizations giving a voice in the team selection. Their opinions will be canvassed by the executive committee and the team selected on the basis of the regional voting.

The final selections will not be announced until late in February, after the returns are all in for the winter circuit.

The team which will be sent over will play the Ryder Cup matches at Southport, June 26 and 27, and then compete in the British open championship, beginning July 3, where Gene Sarazen will defend the title he won last year.

CHEMAMUS DROPS THREE HOOP GAMES

CHEMAMUS, Dec. 23.—On Wednesday, Chemamus intermediates, seniors and girls' basketball teams, all went down to defeat at the hands of three teams from Ladysmith.

The London Tecumsehs defeated Syracuse stars by 2-1 before a crowd of 3,500 here tonight, and strengthened their hold on the leadership of the International League, and retained their undefeated home record, under a score of 22-5.

MCGILL UNIVERSITY HOCKEY TEAM WINS FROM HARVARD, 5-2

MONTREAL, Dec. 23 (CP).—McGill University hockey sextette out-pointed Harvard University in an inter-collegiate game, here, tonight, 5-2, before a crowd of 6,500. The red team won from Harvard, 4-2, at Boston, last Saturday.

TECUMSEHS WIN
LONDON, Ont., Dec. 23 (CP).—In a hectic struggle filled with action, the London Tecumsehs defeated Syracuse stars by 2-1 before a crowd of 3,500 here tonight, and strengthened their hold on the leadership of the International League, and retained their undefeated home record, under a score of 22-5.

EXPLANATION FOR YESTERDAY'S RIPLEY CARTOON
The Holy Thorn.—The famous Glasterbury Thorn at the Old Abbey of Glasterbury, England, is believed to have been planted by St. Joseph of Arimathea, who is said to have landed in Great Britain in the year 63 A.D. on a mission to teach Christianity to the ancient Britons. As the saint landed on Wyrall Hill he planted his staff in the ground, and in accordance with his prophecy the staff took root and blossomed.

It is a fact that the thorn blossoms on January 5 every year, on the day when England celebrated Christmas prior to 1752 according to the old style. After the calendar was reformed in 1752 and Christmas came twelve days earlier, large crowds would proceed to the Abbey of Glasterbury to watch the reactions of the thorn. As the thorn continued to disregard the change of the calendar, popular clamor became so insistent that the government had to order Christmas celebrated on the old day (January 5) in addition to December 25.

Feat of Londoner in Winning United States Amateur Crown Outstanding, Scribes Declare—Little Attention Paid to A.A.U.'s Award to Alex Wilson

By ELMER DULMAGE
Canadian Press Staff Writer.

TORONTO, Dec. 23.—Long, lean Sandy Somerville, of London, Ont., only Canadian golfer who has won the United States amateur championship, was Canada's greatest athlete in 1932.

Forty-three sports editors and writers of Canadian newspapers, from coast to coast, called the feat of the silent linksman in winning the United States golf title from an international field in September the outstanding athletic performance by a Canadian. Only twenty placed their choice on other athletes, stars in sports ranging all the way from track and field to six-day bike racing.

The men who watch national sports events the year round are in a better position than most critics to judge the significance of events. They answered almost overwhelmingly in favor of Somerville when The Canadian Press asked them to name the Dominion's outstanding athlete performer in 1932.

OUTSTANDING FEAT

They consider "Silent Sandy's" triumph at Baltimore in September overshadowed the best record made by Canadians at the Los Angeles Olympic games in August, outranked the sensational string of victories on the basketball track by "Torchy" Peden, Victoria, B.C. biker, and Jimmy McFarlin's succession of ring wins.

And the writers paid little attention to the choice of Alex Wilson, the country's leading athlete for the year. The blond flyer, from Montreal and Notre Dame, received only four votes.

The Canadian Press, in asking the newspaper observers to declare the best Canadian athlete, threw down the barriers between amateur and professional athletes and made it a vote wide open.

The response from all parts of the country heavily backed Somerville, former Canadian amateur champion and a star at hockey, cricket and rugby in his college days. He received forty-three of the sixty-three votes cast.

Five named McLarin, the reigning Irish welterweight from Vancouver, who finished his year's work just last week with a slashing eight-round knockout victory at New York over Sammy Fuller, Boston slugger.

WILSON GETS FOUR VOTES

GILBERT IS THREATENED WITH DEATH

Leading Jockey Receives Threat by Mail—Authorities to Investigate

NEW ORLEANS, Dec. 23 (AP).—Johnny Gilbert, the year's leading jockey, who said he received a letter today threatening him with death unless he rode four winners at Jefferson Park, won the first and third races, but strolled nonchalantly around the track without a mount for the other two designated races.

Postal inspectors said they believed the letter was either a joke from some friends or the work of a crank. It was mailed from Jamaica, N.Y., and signed "The New York and Brooklyn Gun Gang." The letter said that if the original warning demanding four winners on Friday, at stipulated odds, were not heeded, "the final warning would be a 38."

The letter stated that while the senders of the letter would not be at Jefferson Park to place their bets, they would have a representative at the track.

Authorities here will turn the letter over to New York postal inspectors.

Grimmett Takes Six Queensland Wickets Cheaply

ADELAIDE, Australia, Dec. 23 (CP).—The Queensland cricket eleven was quickly dismissed today for only 134 runs in the first inning of the Sheffield Shield match here by South Australia. South Australia accounted for 94.

The bowling of Clarence Grimmett took six Queensland wickets, while Mitschke's batting for South Australia accounted for 94.

The other Sheffield Shield match scheduled to be played at Melbourne between Victoria and New South Wales was postponed due to heavy rain.

CHUCK GARDINER IS RECOVERING FROM INFLUENZA

MONTREAL, Dec. 23 (CP).—"Chuck" Gardiner, Chicago Black Hawks' goalie, who almost single-handedly turned back Montreal Maroons here last night, 4 to 1, despite a fever, was today recovering from an attack of grippe. If his condition continues satisfactory he will probably play against the Maple Leafs in Toronto Saturday night.

DOUBLE MAIN EVENT TO BE HELD MONDAY

Gorman to Face Castillo and Byland Tackles Vader at Tillicum Gym

JACK GORMAN

Promoter Fred Richardson has arranged a neat double main event at the Tillicum gymnasium Monday evening. Jack Gorman, popular with hundreds of Northwest fans, will meet a newcomer to these parts in Senor Don Castillo, of the Argentine, in one of the headlines, while Bobby Byland, Minneapolis flash, is matched with Dave Vader, Chicago, in the other half of the card. Two local lads will appear in the four-round preliminary at 8:45 o'clock.

Castillo has been wrestling in the States for several months, and has scored victories over some of the Pacific Coast's best performers. He has a wide variety of holds, and is expected to introduce some of them to the fans against Gorman. Byland needs no introduction to Victorians, as he has shown here several times and has become a favorite. Vader is another newcomer and will enter the ring ten pounds heavier than Byland. With the four lads in good shape two good bouts should be witnessed and plenty of action is expected throughout.

French Tennis Head Says Umpiring and Lining as Good as Elsewhere

NEW YORK, Dec. 3 (AP).—The French conduct of the Davis Cup Tennis challenge round between France and United States last Summer is defended by Pierre Gillou, president of the French cup committee, in his annual report to the French Lawn Tennis Federation, published today on American lawn tennis.

Gillou recognizes there was considerable criticism of the way the matches were conducted, especially the deciding encounter between Jean Borotra and Wilmer Allison, but holds that the criticism generally was unjustified.

French umpiring and lining, he said, was no worse nor better than

GETTING TEETH EXTRACTED
A patient suffering with severe pain in the hip-joint decided that his teeth might be at fault as his tonsils had been removed some years previously. The dentist took an X-ray picture of all the upper and lower teeth and in a few minutes was able to show the patient three that were infected.

"All right," said the patient, "take them out."

"When do you want me to extract them?" asked the dentist.

"Right now," answered the patient.

"Well, you are brave," smiled the dentist, "most patients want to think it over and frequently postpone the engagement a few times."

"As a matter of fact," answered the patient, "I'm really a coward because I don't want it hanging over me for a few hours."

The teeth were extracted accordingly, and the pain disappeared in a few days.

I often think dentists have a real task in handling the majority of their patients when teeth must be removed. Dr. Edward Reiter, Cleveland, Ohio, states that the first problem to be solved is the lack of getting the patient's emotions under control; that is the fear and dread with which a patient contemplates the removal of a tooth. From every patient's standpoint, the removal of a tooth is a serious and alarming contemplation and the very thought of the operation has a most prostrating effect upon the patient.

As a matter of fact the well-trained dentist of today is able to remove teeth without any pain whatever, cleans up the wound and only occasionally is it necessary for a patient to return for an after-treatment.

Of course there are some teeth so

difficult to remove that the tissues are slightly injured and a little pain may follow after their removal, but the ordinary quieting tablets suggested by the dentist will usually prevent any suffering until the pain disappears.

Further, it is only natural that you should dislike losing one or more teeth and as you think of this loss, together with the pain you expect to undergo during their removal, you may decide that you'd sooner take chances on rheumatism (arthritis), neuritis and even heart disease.

Your physician will advise that while nothing will be quite as good as your own teeth, nevertheless you are risking not only health, but life itself, by refusing to have infected teeth removed.
